Building on seven successful editions **EGEDA US** and **The Olympia Theater**, with the collaboration of **ICAA** and **CCEMiami**, present the eighth **RECENT CINEMA FROM SPAIN**, a showcase of the most outstanding contemporary Spanish films at the **Olympia Theater** in downtown Miami, **November 8-11, 2018**. The annual film series brings Spanish culture to Miami; from art and music, to food, fashion, and more.

Over the course of four days, the film series showcases a variety of Spanish movies that range from comedies to award-winning dramas. Up-and-coming as well as established filmmakers and actors from Spain will join us at the screenings and Q&As after selected films. A special industry roundtable with the actors and filmmakers in attendance will be held at CCE Miami.

This year's series includes a special screening of **EVERYBODY KNOWS (TODOS LO SABEN)** starring Penélope Cruz, Javier Bardem, Ricardo Darín, and Inma Cuesta. Recent Cinema from Spain Miami will premiere the award winning **CARMEN & LOLA (CARMEN Y LOLA)** directed by Arantxa Echevarría.

This is the first line up of movies.

Full program for Recent Cinema from Spain will be announced shortly. Stay tuned!
